The Access Visa digital commercial achieved **over 140,700 views** on Facebook and **83,136 plays** on Instagram, with over **57,032 engagements** collectively

Video Content Deployed

To announce the start of the FIFA game, a prediction video was deployed on socials and this achieved **over 14,200 views** on Facebook and **5,318 plays** on Instagram.

Creatives Deployed

Creatives Deployed

7 days before the big game, countdown content were deployed everyday to build momentum and also drive customers to take action with regards to getting their Access Visa themed cards and making transactions.

Creatives Deployed

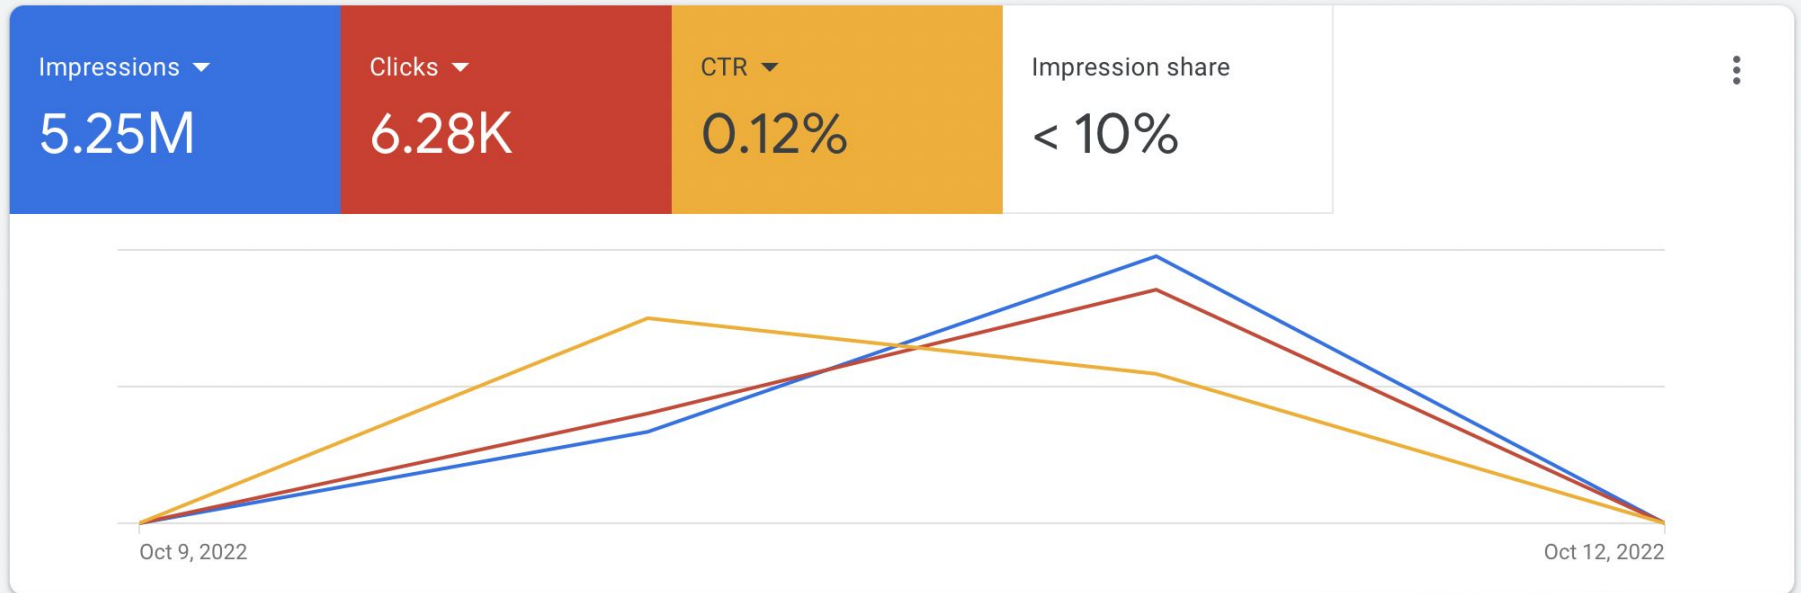

Engaging content like “Predict the Score”, “Winners announcement” & “Football Trivia” were made to keep the excitement before the start of the game and after.

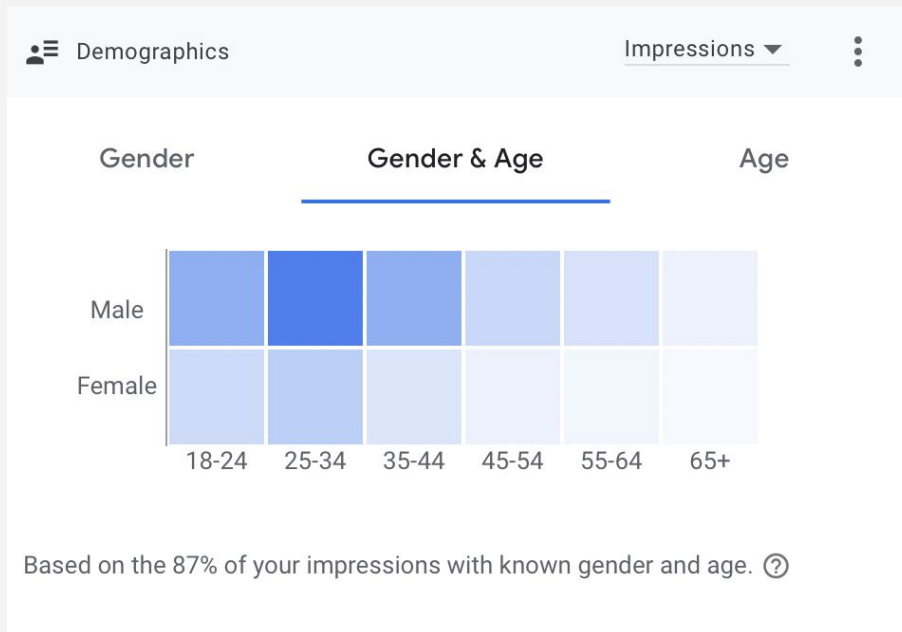

To engage and drive anticipation, trivia countdown posts were made about the history of football, while winners were selected and announced across Facebook, Instagram & Twitter to be rewarded with branded gifts boxes. The Winners were selected based ability to get the correct answers first.

Google Display Ads

From the 9th of October to 12th of October, we have recorded over **5.2 Million** impressions and over **6,000** clicks

Google Display - Audience Interactions

Ads Sort by: Impressions

Ad group 1

Ad	Impressions	Clicks	CTR
● Enabled	2,175,278	3,765	0.17%

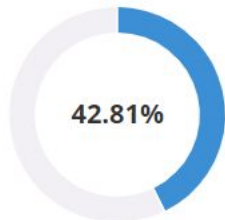

Male Audience(s) within the age range **35-44** interacted more with the ads than any other age range and gender. 87% of the impressions gained from Google display ads can be traced to the male gender as they interacted more with the ads.
