

Morning Fresh

Monthly Report

October 1st 2023 - 31st, 2023

Executive Summary

In October, our digital content strategy included Always On content types with post-campaign amplification communication efforts.

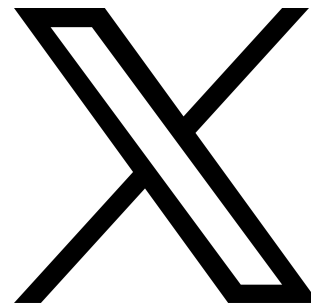

We strategically leveraged social platforms to spotlight the Morning Fresh Sustainability Event, using highlight stories for engagement and pre/post-event awareness drives.

The product push featured all our brand variants, emphasizing their unique selling points through a mix of hard and soft sell techniques to drive trial and purchase.

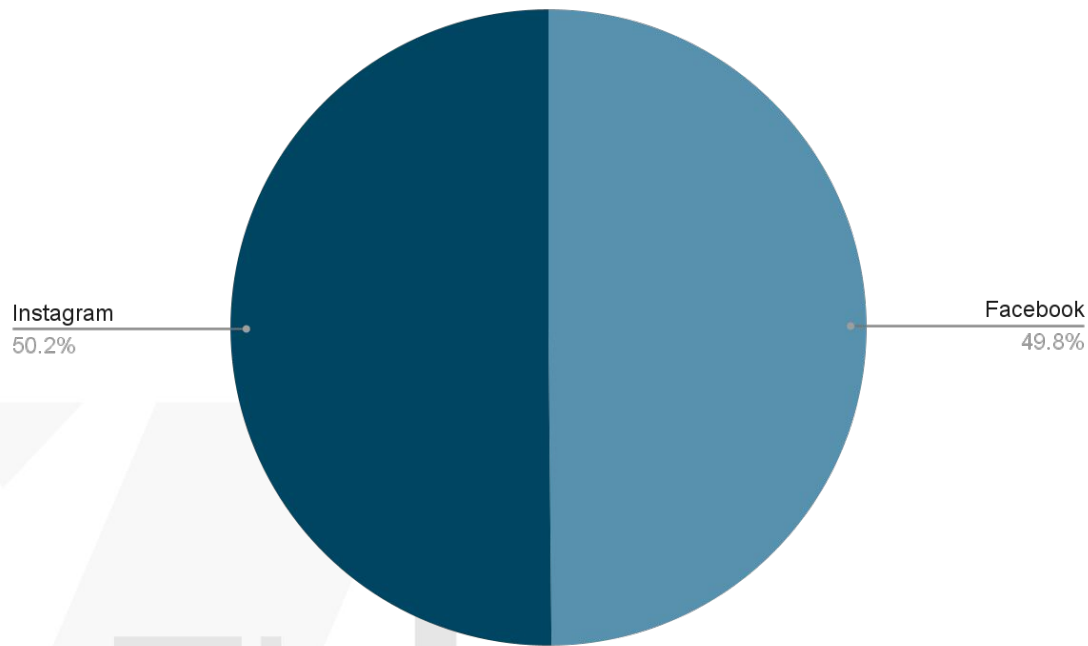

Our communication efforts encompassed static and motion graphics, as well as interactive tweets and story posts for a dynamic online brand experience.

We achieved a **total reach of 959,104 and 219,667 engagements** on Instagram and Facebook.

Take out:

Impressions, reach and ThruPlays targets were exceeded.

Impressions and reach increased in week 2, however, views reduced as a result of heavy geo-targeted promotion of static redemption center posts.

Recommendation:

More efforts will be made to boost ThruPlays while alternating emphasis week-on-week to boost performance in new month.
